**WORKFORCE INVESTMENT BOARD TO HOST 11th BIENNIAL
CAREER FAIR OCTOBER 7, 2010**

The Workforce Investment Board (WIB) of Solano County is set to host the Fall WIB Regional Career Fair on Thursday, October 7, 2010 from 10:00 a.m. to 2:00 p.m., at the University of Phoenix, 5253 Business Center Drive in Fairfield. The WIB is a private, non-profit, federally funded agency that works in partnership with Solano County to provide workforce development services to job seekers and employers.

This has consistently been the largest Career Fair in Solano County, and is open to the general public at no cost. The WIB has been hosting Regional Career Fairs in Solano County for the last six years. Over 1,800 job seekers attended the last Spring Career Fair, held in April 2010, and organizers anticipate a similar level of attendance at this event. It is recommended that job seekers arrive when the event begins to ensure they'll have plenty of time to meet employer representatives. The WIB has confirmed the attendance of **84** representatives from many local, regional, and national employers, all who are currently hiring in a variety of industries. Job seekers are asked to come prepared with sufficient copies of their resume, as there will be no copy services available on-site. Job seekers should also be prepared for on-site interviews, be prepared to apply online, and be dressed appropriately. For a complete list of the employers that are expected at the Career Fair, log on to **www.solanowib.org**.

This event is being co-hosted by the University of Phoenix, and the Premier Sponsor is Coast Radio Co. Inc, 95.3 KUIC, 101.7 KKIQ, 92.1 KKDV.
